

### **How to Set and Verify Your KW Military Affiliation:**

1. Open KW Command
2. Click your name, upper right to expand the drop down. Select "Settings"
3. Click "Connect Settings" to expand the drop down. Select "Marketing Profile"
4. Scroll down to Military Affiliation and select the appropriate status from the list (Active Duty, Reserves, Veteran, Military Spouse)
5. Military Service Details window will appear. Select appropriate Military component. Click Add.
